Lagos, Nigeria • 📞 +234 907 588 6025 • ✉️ davidokorooluchukwu@gmail.com

PROFESSIONAL SUMMARY

Results-driven Materials and Metallurgical Engineering graduate with over three years of experience in AI data annotation, technical operations, inventory management, and digital project execution. Skilled in data quality assurance, process improvement, and cross-functional collaboration, with a strong commitment to operational excellence and continuous learning.

WORK HISTORY

DATA ANNOTATION SPECIALIST

09/2025 – Present

GREVIX – Remote

- Annotate and validate text, image, audio, and video datasets to support the training and evaluation of AI and machine learning models.
- Maintain 98% annotation accuracy by following detailed annotation guidelines and performing quality assurance checks.
- Contribute to AI projects involving LLMs, OCR, Speech Recognition, Chatbot Evaluation, and Content Moderation.
- Collaborate with QA teams and project managers to resolve annotation issues, consistently exceed productivity targets, and deliver over 10,000 high-quality annotations.
- Train and mentor new annotators on platform usage, annotation standards, and quality best practices.

MEDIA HEAD

02/2024 – 02/2026

Increase Football Club – Owerri

- Developed and executed the club's digital media strategy, increasing online engagement through consistent, high-quality content.
- Created and managed match-day graphics, promotional materials, player features, and video content to strengthen the club's brand identity.
- Coordinated media relations, prepared press releases, and served as the primary contact for media engagements.
- Led the media team during training sessions and match days, delivering real-time coverage and ensuring timely content distribution across digital platforms.

STUDENT INTERN

01/2024 – 05/2024

Federal University of Technology Owerri Workshop – Owerri

- Enforced workshop safety protocols during practical sessions, ensuring 100% compliance with PPE standards.
- Managed the tool store inventory and implemented a check-in/check-out system that reduced tool loss by 15%.
- Conducted routine maintenance on workshop machinery, including lubrication and alignment of lathe tailstocks.

DIGITAL MARKETING INTERN

08/2023 – 10/2023

Digital Skilling and Employment Project (DSAEP) – Owerri

- Scheduled content across multiple social media platforms using digital management tools to maintain a consistent content calendar.
- Developed a digital marketing website using WordPress.
- Conducted keyword research using SEMrush and Google Keyword Planner to support SEO and digital marketing campaigns.

INVENTORY CONTROL SPECIALIST

08/2022 – 12/2022

Twins Faja Supermarket – Iba, Lagos

- Investigated and resolved an average of 15 inventory discrepancies per week through root cause analysis.
- Reduced product shrinkage by 8% quarterly through effective inventory control measures.
- Achieved a 15% reduction in stockouts by monitoring safety stock and reorder points.
- Maintained accurate Warehouse Management System (WMS) records through routine updates to product codes and bin locations.
- Managed the quarantine and disposition process for obsolete inventory, improving warehouse workflow and efficiency.

EDUCATION

Bachelor of Engineering (B.Eng.) – Materials and Metallurgical Engineering

Federal University of Technology Owerri

2019 – 2024

Master Figma from 0 to 100

Domestika

2025

Technical Analysis Course

PMoney Academy

2023

LEADERSHIP EXPERIENCE

DIRECTOR OF SPORTS

2026

NYSC Orientation Camp

- Coordinated daily sporting activities and physical training sessions for hundreds of corps members.
- Organized inter-platoon competitions in collaboration with camp officials, ensuring smooth planning and execution of sporting events.

DIRECTOR OF SPORTS

2023

National Association of Materials and Metallurgical Engineering Society (NAMMES)

- Recognized with the Sports Man of the Year Award for outstanding leadership and contribution to sports development.
- Planned and coordinated departmental sporting activities and competitions throughout the academic session.
- Managed event logistics, scheduling, and collaboration with departmental executives to ensure successful event delivery.

CERTIFICATIONS & AWARDS

- **Certificate of Service** – Director of Sports, National Association of Materials and Metallurgical Engineering Society (2024)
- **Certificate of Completion** – Technical Analysis Course, PMoney Academy (2023)
- **Award of Merit** – Sports Man of the Year, National Association of Materials and Metallurgical Engineering Society (2024)

SKILLS

AI & Data Annotation: Data Labeling, LLM Evaluation, OCR, Speech Recognition, Chatbot Evaluation, Content Moderation	Digital Media & Strategy: Content Creation, Digital Strategy, SEO, Social Media Management, Asset Management
Technical Tools: Figma, Label Studio, WordPress, Microsoft Office Suite	Soft Skills: Cross-functional Collaboration, Time Management, Decision Making, Leadership, Communication

INTERESTS

Photography • Web Design & Development • Fashion Design
